Proceeds from the event will benefit the Women's Health Innovation Fund, which supports physicians and researchers who are in the early stages of important scientific research. The fund helps to develop the creative ideas and revolutionary studies that could lead to the next big breakthrough in medicine.

Your gift may constitute a gift for endowment. Distributions from endowed funds will be made in accordance with the university's then-existing endowment distribution policy.

Sponsorships paid for through a family foundation or donor-advised fund will not receive any of the goods or services included in the applicable sponsorship level. The individuals associated with the family foundation or donor-advised fund who wish to receive the goods or services, including tickets to the event, may purchase such goods and services directly, without the involvement of the family foundation or donor-advised fund.
